

Hyung Wook Yi

Curriculum Vitae • Ph.D. student at KAIST

Research: Sensor fabrication, sensing toolkits, and haptic interfaces.

taleweaver@kaist.ac.kr • [LinkedIn](#) • [Google Scholar](#)

Education

Ph.D. studies • KAIST Graduate School of Metaverse Advisor: Sang Ho Yoon Lab: HCI Tech Lab	2026.03 – Present
M.S. • KAIST Graduate School of Metaverse Advisor: Sang Ho Yoon Lab: HCI Tech Lab	2023.08 – 2026.02
Undergraduate • Double major • Sungkyunkwan University Advanced Materials Science and Engineering Culture and Technology Cum Laude Undergraduate thesis: Empowering wearables: Harnessing human energy for self-generating devices Advisor: Sang-Woo Kim	2015.03 – 2023.07

Research Experience

Research Intern • HCI Tech Lab KAIST Advisor: Sang Ho Yoon Lab	2023.06 – 2023.08
Undergraduate Researcher • NESEL Sungkyunkwan University Prototyped wearable triboelectric energy-harvesting devices and measured energy generated by body movement. Advisor: Sang-Woo Kim	2021.12 – 2022.06

Work Experience

Public Diplomacy Intern Embassy of the United States, Seoul Contributed to the design and evaluation of public diplomacy programs and supported program planning.	2022.07 – 2022.12
ROKA Staff Office • HR & Interpreter U.S. Army • KATUSA Provided Korean-English interpretation, document translation, and personnel administration as a KATUSA.	2016.05 – 2018.02

Publications

Thermal Crossing: Palm-Free Thermal Rendering with Thermal Illusions (2026) Hyung Il Yi, Hyung Wook Yi , Sang Ho Yoon ACM ISWC Notes and Briefs Status: Accepted	
Therm-Spatial: Controlling Spatial Perception with Thermal Feedback (2024) Hyung Il Yi, Hyung Wook Yi , Dong Kyu Kwak, Sang Ho Yoon XR-SPro Workshop • IEEE ISMAR Adjunct • DOI	
Challenges and Opportunities of Game NPC Research Using LLM: Scoping Review (2024) Eunbyul Park, Jihun Chae, Kirak Kim, Hyung Wook Yi , Maryam Khalid Lootah, Young Yim Doh <i>Korea Game Society Spring Conference • In Korean</i>	

Selected Projects

Everwhite (Winter is Coming)

2022.10 – 2023.01

Interaction design project

Redesigned the user experience and replanned interactions for a shared VR snowball-fighting experience with thermal and tactile feedback.

[Project · IxDA](#)

Soundinity

2022.06 – 2022.12

Sungkyunkwan University · Wavedeck

Led a six-person team exploring AI-generated ambient sounds for Unity in an industry–university collaboration with Wavedeck.

Advisor: [Jong Hwan Ko](#)

Play Pacific

2022.03 – 2022.07

Sungkyunkwan University · Amorepacific

Planned interactive exhibition content using a PPG wearable and user-experience evaluation measures.

Advisor: [Sanghoon Sul](#)

Giview

2022.03 – 2022.07

Sungkyunkwan University · Korea Food for the Hungry International (KFHI)

Proposed an OTT-based micro-donation service to improve the donation experience through an industry–university collaboration with KFHI.

Advisor: [Goo-ik Lee](#)

Student's Plan

2021.08 – 2021.12

Sungkyunkwan University · Samsung Electronics

Conducted user interviews and developed a dormitory-focused appliance experience in an industry–university collaboration with Samsung Electronics.

Advisor: [Sanghoon Sul](#)

Jeogiyo

2021.08 – 2021.11

Sungkyunkwan University

Proposed a platform connecting students and campus-area shops through stories, reviews, and local discovery.

Advisor: [Goo-ik Lee](#)

Wandering Seoul: A Midsummer Fantasia

2021.03 – 2021.06

Sungkyunkwan University

Planned a mixed-reality story tour for visitors to Seoul, using smartphone location services and augmented reality to layer fictional spaces and stories onto the city.

Advisor: Ji Yeon Kim

Invited Talks & Lectures

Invited Talk · DNA-X Talent Vision Camp

2023.06.02

SKKU Innovation Center for Engineering Education

Invited to share the DNA-HERO industry collaboration experience following the 2022 1st Prize.

Multisensory XR Workshop

2023.02.11 – 2023.02.12

Hongik University · Biohealth program

Contributed to delivery of a two-day XR workshop for university students.

Academic Honors

Academic Merit Scholarship Advanced Materials Science and Engineering · Sungkyunkwan University	2022 · Spring
Dean's List Sungkyunkwan University	2021 · Spring
Creative Scholarship (\$4.5k) Sungkyunkwan University Recommended by the College of Engineering Scholarship Committee.	2021
Dean's List Sungkyunkwan University	2020 · Fall

Awards

Finalist · IxDA Interaction Awards Connecting category Project	2023.03
